

Improve property desirability and recreational usability of Little Elk Lake through the improvement of water quality, clarity, recreation, and sport fishing.

Donor Contact Information

Last Name _____ First Name _____

Lake Address _____

Phone _____ Email address _____

Thank you for your donation. LELIA is committed to maintaining and improving Little Elk Lake for those that live on the lake and those that enjoy the resource from the surrounding community. Your donation (100%) will go towards the treatment of offshore invasive weeds, such as Curlyleaf Pondweed and Eurasian Watermilfoil.

Please make sure to visit our website at www.littleelklake.com for current information and news.

Thank you for donating.

Please fill out the form on the left hand side and mail back to the address indicated below.

If you have questions and/or concerns regarding your donation, please send us an email at lelia@littleelklake.com

Please send this form and your donation made out to Little Elk Lake Improvement Association to:
